

454 Grill Minimum

What is a minimum guarantee?

A minimum guarantee protects our truck financially in the event the business or person requesting our truck under estimates how much food will be needed.

When we make the decision to attend your event or location we have already invested money with food prep, labor, propane, gas before we even attend.

The choice to require a minimum depends on various factors. Some of the factors would be if we have had multiple requests for that date, if its a rain or shine event, our first time at a location, or geographic location.

Our "busy season" (March-October) minimum is \$600 for weekends, and \$400 for weekdays. Our "off season" (November-February) minimum is \$400 for weekends and \$250 for weekdays. Our minimums are outlined for business/locations that are within a 15 mile radius of zip code 27603. If you location exceeds 15 miles the minimum guarantee will be increased.

Here at 454 Grill we don't always require a minimum it is strictly up to the discretion of the owners. If you are uncertain if a minimum would apply to you please email us at info@454grillfoodtruck.com
